Our Story 2015 – 我们的故事開始於2015

Our story begins on May 22, 2015 at Luyu , a tea house located in the city of Kunming in Yunnan Province, with a fateful encounter between Ms. Yan Yang ("Yan") ,the tea house manager and Ms. Kathy Tsao ("Kathy"), a traveler. Yan and Kathy struck up a conversation during which Kathy asked about Yan's hometown and her family. She learned that Yan came from a very poor region in the city of Nujiang, where many students of ethnic minorities go to pursue education. Its inhabitants are so poor that most of the children don't have shoes. Yan and her siblings were among those . Because there is no work in the immediate region, parents have to go to other cities in order to make a living and cannot be with their children. These children, by necessity, are sent to boarding school. Yan's sister, Ms. Haixia Yang ("Haixia") became a teacher and teaches in one of those schools, "The Fugong Primary School" which is located in a remote mountain area. The funding for this school is limited and the accommodations are meager. The children are in need of everything from shoes and clothing to mattresses and school supplies.

Kathy's heart went out to these children and her interest piqued. She wanted to learn more about this school and reached out to Yan's sister Haixia. They began communicating via "WeChat" . The following is just one of their conversations that inspired Kathy, which resulted in her dedicated commitment to this cause.

Dear Kathy,

This is Haixia Yang, Yan Yang's younger sister. I am a teacher at Fugong Primary School located in the Village of Fugong, Nujiang County, Yunnan Province.

First of all, I would like to thank you for writing me back despite your busy schedule. I am in full agreement with your words, "studying and learning skills are the best tools to change one person's fate." We have something in common, which is the fact that we both experienced difficult circumstances in childhood. I was born in a poor family, with an elder sister and younger brother. In my memory, my parents were often worried and bustled about for tuition for each of us. When they could not gather enough money to afford our education, I saw the scowl on their faces. Since we personally experienced such difficult times, we know how that feels. That is why we are supporting some students with our best efforts, although our capabilities are not far reaching since our resources are very limited.

Fugong Primary School is a public boarding school. There are over 400 students and 30 teachers between first grade to sixth grade. It has 13 classrooms in total. The President is Mr. Duo Lee. As it is compulsory education, all books are free. Many students here are growing up with hardships, including all the challenges of one-parent families for some, left-behind children and disease. Each family here is basically the same, financially unstable. Most students wear flip flops throughout the whole school year although it is very cold in the winter. The geographical location adds more difficulty. Many kids have to walk a few dozen kilometers of mountain road to school because there is no public road available.

The final is to be taken on July 12, 2015 and then school will be closed for summer break from July 13, 2015. If Kathy plans to visit us on rainy days during this summer, please be very careful on the slippery and narrow roads. Sorry for talking a lot and taking up your valuable time. As I said before, it is a boarding school. Thus, our teachers work very hard managing students from morning until night. All students are from the local area and other surrounding villages. School is scheduled 7 days per week, with no weekends but there is a short break every two weeks. In general, the expenses for students include 1) a fee to travel home when school recesses for the short break (our students have to climb the mountain after they arrive the bus station in the middle; in the event there are no available roads, some students have to walk mountain roads all the way back to their homes); 2) medical costs (currently, these payments are all covered by teachers, as many students run out of money within one or two days after school resumes); and 3) other expenses to purchase school supplies and stationary.

When school resumes, parents will prepare some pocket money, usually 10 or 20 RMB, which is to be kept with teachers. The expenditure plan is about 0.5 or 1 RMB per day. The school break runs from July 13, 2015 to August 25, 2015. Students here have no vocational classes to attend. Instead, all of them will do farm work for their parents at home during the recess period.

After their correspondence, Kathy traveled to the school on July 4th 2015. Upon seeing these children and their needs, she immediately knew that she had to get involved, not only by personally contributing but by raising awareness and creating an organization to help them. The children need whatever assistance that can be provided. Their living conditions are extremely difficult and they do not have the basic items to be protected from the harsh mountain climate and conditions. Kathy knows that she can not provide all of the needs of the children but has vowed to help them - one at a time. This has become her project's name: " ONE AT A TIME" which will be known as the OAT Project.

As of July 9th 2015, working together, Kathy and Yan have been able to enlist several compassionate individuals who will be sponsoring a few of these school children. They plan to purchase 500 pairs of shoes, carpets, quilts and other bedding. Would you like to be part of OAT and help the children of Fugong Primary School ? During a trip to Mongolia, Kathy encountered a sign located outside the Ariyabala Meditation Temple in Ulaanbaatar. The sign offered these encouraging words:

*"You a traveler who is going to your next rebirth should accumulate as much good deeds as you can
Just as you would pack food for a long journey."*

我们的故事開始於2015 – Our Story 2015

我來講個故事給你們聽好不好?

故事開始在5/22/2015 雲南, 昆明陸昆茶莊里的一次巧遇下, 故事從那里開始.....當學茶系的揚燕小姐遇見了曹凱西, 她告訴凱西她的妹妹是老師在山上有所小學校叫怒江阿陸底那裏教書, 很多怒江少數民族的小學生在那裏上課 都沒有鞋子穿, 就像她自己一家的兄弟姐妹一樣從小在山里長大都沒有鞋子穿:

曹姐: 您好, 我是楊燕的妹妹楊海霞, 在云南省怒江州福貢縣鹿馬登鄉阿路底學校

首先感謝曹姐在百忙之中回信給我, 我很贊同曹姐說的一句話: 念書和學技能是改變命運的最好途徑。我們的經歷有相同之處, 那就是小時候都吃過很多苦, 我和姐姐弟弟們小時候吃了很多苦, 家境貧寒, 父母常為我們每學期的學費到處奔忙, 常常為沒有湊足學費而愁容滿面, 因為能體會這種心情, 所以現在雖然沒有很大的能力, 但是我們都會盡綿薄之力幫助一些學生。

我們學校是公立學校, 目前學生有500多個, 老師有30個, 其中有2個是代課老師, 有13個班級, 一至六年級都有, 校長的名字叫: 李奪, 我們學校是屬於食宿制的學校, 因為義務教育所以書費是全免的, 但是由於地理環境原因, 這裡學生困難類型多樣化, 有單親, 有留守, 有疾病的, 每個家庭基本上都一樣不富裕, 學生在學校大部分學生一年四季都穿人字拖, 冬天時真的很冷啊, 這裡公路不通很多小孩子要走幾十公里山路來學校讀書確實可憐。

我們七月十二號就考試, 十三號左右就放暑假了, 因為雨季路滑, 所以如果曹姐有時間來我們這裡的話, 一定注意安全, 我們這裡沒有高速路, 路也特別窄,

所以小心開車 最後向曹姐說聲不好意思, 斷斷續續說了很多, 占用了曹姐寶貴的時間。我們學校是食宿制小學, 吃住都在學校, 所以老師們都很辛苦, 從早上到晚上都需要管理學生, 學生都是從各個山村集中到學校來上課, 學校不分周末, 連續上兩個星期才休息一次, 因為九年義務教育, 書費全免, 學生們的費用是: (1) 放假回家時的車費 (學生們先坐一段車程然後才爬山回家, 很多地方公路不通, 要走山路), (2) 如果病了就得備著藥費, 但是藥費的話都是老師們在承擔著, 很多學生才收假第一二天就沒有錢花了, (3) 平時買一些文具之類的。

每次收假, 家長們會給十塊到二十的零用錢, 這些錢他們會保存到老師那里, 每天花一塊錢或五角我們七月十三號左右放假, 然後八月二十五左右收假, 小朋友們在假期里没有興趣班可上, 他們都在家里幫爸爸妈妈干农活

當凱西知道這事的時候, 她了解也知道該她應當做什麼了。這個在凱西心裡面已經深藏了八年的策劃, 此刻已經開始進行了。她一個人無法改變世界, 但是在她的小小世界裡面, 她只想像幫助那些小朋友, 一個一個的來, 因此這個基金會叫 One At A Time- OAT project. 吉娃吉娃哪(怒語翻譯是一個個的來的發音), 今天是6 / 9/2015, 我們已經找到三個叔叔/阿姨 願意做小朋友的贊助人sponsors 和三個捐款人。凱西預備購買百雙鞋子, 小毛巾, 小內衣褲, 小毛毯等等用品, 捐給學校。另外幫助小朋友找叔叔和阿姨作為贊助人。你們願不意加入我們的對伍, 幫助這個叫阿路底的小學? 感謝!!! 今天是個美麗的日子! 凱西。

“You, a traveler who is going to your next rebirth should accumulate as much good deeds as you can just as you would pack food for a long journey.”

“你，一個旅行者，在進入另一個重生的旅途中，沿路上应该要多作善事，就像在長途路上要備帶乾糧一樣。”

智慧的教训，凱西取得於蒙古烏蘭巴特附近的一所沉思寺 Ariyabala Meditation Temple – July 7th 2015

Wise Words Outside Ariyabala Meditation Temple in Ulaanbaatar, Mongolia – July 7th 2015

A Little Bit About Yunnan 云南省简介

Yunnan (/jʊnˈnæn/, -/ˈnɑːn/) is a province of the People's Republic of China, located in the far southwest of the country. It spans approximately 394,000 square kilometres (152,000 sq mi) and has a population of 45.7 million (2009). The capital of the province is Kunming, formerly also known as Yunnan. The province borders Vietnam, Laos and Burma.

Yunnan is situated in a mountainous area, with high elevations in the northwest and low elevations in the southeast. Most of the population lives in the eastern part of the province. In the west, the altitude can vary from the mountain peaks to river valleys as much as 3,000 metres (9,800 ft). Yunnan is rich in natural resources and has the largest diversity of plant life in China. Of the approximately 30,000 species of higher plants in China, Yunnan has perhaps 17,000 or more.[5] Yunnan's reserves of aluminum, lead, zinc and tin are the largest in China, and there are also major reserves of copper and nickel.

Yunnan is noted for a very high level of ethnic diversity. It has the second highest number of ethnic groups among the provinces and autonomous regions in China, after Xinjiang (which has forty-seven ethnic groups). Among the country's 56 recognized ethnic groups, twenty-five are found in Yunnan. Some 38% of the province's population are members of minorities, including the Yi, Bai, Hani, Tai, Dai, Miao, Lisu, Hui, Lahu, Va, Nakhi, Yao, Tibetan, Jingpo, Blang, Pumi, Nu, Achang, Jinuo, Mongolian, Derung, Manchu, Sui, and Buyei. Several other groups are represented, but they live neither in compact settlements nor do they reach the required threshold of five thousand to be awarded the official status of being present in the province. Some groups, such as the Mosuo, who are officially recognized as part of the Naxi, have in the past claimed official status as a national minority, and are now recognized with the status of Mosuo people.

Ethnic groups are widely distributed in the province. Some twenty-five minorities live in compact communities, each of which has a population of more than five thousand. Ten ethnic minorities living in border areas and river valleys include the Hui, Manchu, Bai, Naxi, Mongolian, Zhuang, Dai, Achang, Buyei and Shui, with a combined population of 4.5 million; those in low mountainous areas are the Hani, Yao, Lahu, Va, Jingpo, Blang and Jino, with a combined population of 5 million; and those in high mountainous areas are Miao, Lisu, Tibetan, Pumi and Drung, with a total population of four million.

Map of Yunnan China & Nujiang - 中國地圖 & 云南地圖

A Little Bit About Gansu

甘肅省简介

Gansu Province in the People's Republic of China has a population of 26 million inhabitants. The Yellow River passes through the southern section of the province of Gansu and the province is located between the Huangtu and the Qinghai Plateaus, at the Inner Mongolia Autonomous Region. Gansu Province has Mongolia to the north and Xinjiang Uyghur Autonomous Region to the west. The capital city of Gansu Province is Lanzhou City which is in the southeastern part of Gansu Province.

Gansu Province has a great history of the former Chinese Empire during the Han and the Ming Dynasty. The Great Wall of China was extended through Gansu during the Han Dynasty. The Yangguan Fort and the strategic Jade Gate Pass was also constructed during the Ming Dynasty. In the past, many residents of the Province of Gansu embraced Islam from 848 to 1036AD when a Uyghur nation was founded. Due to the fact that Gansu was situated along the Silk Route it was converted into a very important economically province.

Provincial Capital: Lanzhou

Area: Gansu Province has an area about 454,000 square kilometers.

Geography: Gansu is an important province in northwest China. Being abbreviated as "Gan" or "Long", it is situated as geographical center, on the middle and upper reaches of the Yellow River and the Yangtze River. Running through the whole province, the ancient Silk Road and the new Eurasian Continental Bridge are important thoroughfare linking up East Asia, Central Asia, West Asia and Europe.

The landforms in Gansu are complicated and varied. High mountains and deep valleys are aloft on its southeastern part with peaks rising one higher than another. The highest peak of the province is Tuanjie Peak of Qilian Mountain with an altitude of 5,808 meters above sea level and its lowest point is the bottom of Bailongjiang River valley in the eastern part of Wenxian County with an altitude of only 550 meters above sea level.

There are 450 rivers in Gansu, among which 78 rivers have a yearly runoff of over 100 million cubic meters each. The Black River, Shule River, Yellow River trunk stream, Tao River and Jialingjiang River are the greater ones.

Population: Gansu has been a multi-ethnic province since ancient times. Among its total population of 26 million, the minority population takes up 2.199 million. Hui nationality is the largest in all the minority nationalities with a population of 1.185 million. Ten ethnic groups of Hui, Tibet, Dongxiang, Tu, Yugu, Baoan, Mongolia, Sala, Hazak and Manchu have inhabited in Gansu for generations. Yugu, Dongxiang and Baoan are unique nationalities.

Climate: Gansu has a dry climate with plenty of sunshine, strong radiation and the temperature varies greatly from day to night. The annual average temperature is between 0degree Celsius -14degree Celsius dropping from the southeast to the northwest.

Its annual rainfall is about 300millimeters and differs greatly in different parts. It is reduced from 760 millimeters in the southeast to 42 millimeters in the northwest. The seasonal rainfall is also uneven and concentrated mainly from June to September. Gansu has rich solar energy resources with an annual sunshine time of 1,700-3,300 hours, increasing from the southeast to the northwest. Hexi Corridor has a maximum annual sunshine time of 2,800-3,300 hours, Longnan has a minimum sunshine time of 1,800-2,300 hours, Longzhong, Longnan and Gannan has an annual sunshine time of 2,100-2,700 hours.

云南兰坪县阿塔登小学

Introduction to Central Primary Elementary School in Gansu

Xinxiang Central Primary School was established by Li Sixu in 1939 as a private school and has almost 80 years of rich history. It is the largest elementary magnet school and because of its long history has exerted a strong influence in the area.

The school is located in a rural mountainous area with poor soil and limited agricultural land in Xinzhung Village northwest of Huining County. There is an old saying describing this area as suffering drought nine out of ten years. Only coarse grain crops can grow and the crop harvest volume is only one hundred jin per mu(the equivalent of about 150 pounds per acre, compared to 20-30 tons of grain per acre in the U.S.). Naturally, the villagers find very difficult to make a living here and many older people over fifty have to leave the farms to find work to supplement their meager income.

Even under such arduous conditions, parents do not hesitate to decide that it is worth their suffering for their children to attend school. They encourage them to go to school and get educated. "The best men are loyal and filial, with only two simple thoughts- reading and farming are essential." With such values, the students here are hardworking and take pains on the quality of what they do.

Today's Xinzhuang Township Central Primary School is rooted in the culture of the rich heritage of the Losses Plateau. It has the reputation of a "Champion Town" and they aim to cultivate a new generation of responsible students.

However, the school is dilapidated and most buildings have leaky roofs. The student's desks were purchased more than a decade ago and most of them are broken. Faculty buildings are not equipped with any modern teaching aids. There is no equipment for any music, physical education or art supplies. Every year the school relies on fundraising but it is not enough and varies from year to year. Solution to the school's problems can't addressed effectively.

The school has six classes with a total of 195 students with 99 girls and 25 staff members. Both the teachers and students have the strong spirt of area and therefore the quality of education steadily improves year after year. The teachers are responsible and conscientious in educating their students. There is an emphasis on studying teaching theory as well as actively participating in classroom teaching reform and advancing quality education. The teachers are engaged in a bold effort for new curriculum reform and thus the teaching quality is steadily rising.

With your support and with that of all levels of the village, new Township Central Primary School will better address the needs of it 's students and of the region.

新庄乡中心小学简介

新庄乡中心小学起源于一九三九年李思英主办的私塾，自私塾至今近有八十多年的历史。是新庄乡历史悠久、影响最大的一所重点小学。学校位于会宁县城西北部的新庄乡新庄村，这里地处偏僻，山地起伏，土壤贫瘠，能耕种的土地有限，加上“十年九旱”，农作物以杂粮为主，亩产不过百斤，这里的老百姓勉强维持生计。

很多人年过半百还要外出打工，收入自然微薄。在这样的艰难困苦之中，家长毅然不惜一切苦攻孩子上学谱写着这一方催人泪下却又让人心怀激荡的教育故事。“一等人忠诚孝子，两件事读书耕田”的朴实思想，“板凳要坐十年冷，文章不写一句空”的寒窗精神，造就了这里学子“以苦为乐”、“苦中作乐”的品质。所以以今天的新庄乡中心小学扎根于这文化底蕴丰厚的黄土塬上，以“状元乡”的美誉陶冶新的一代。

双语对照然而，学校校舍建筑年代已久，大多数房子雨天屋顶漏水严重，办公条件极差，学校也缺少音体美及实验器材，教师也没有一些先进的办公设施去办公，学生的课桌凳也是十几年前的双人课桌凳，现都已破烂不堪，学校靠每年的公用经费根本解决不了问题。

学校现有教职工25人，现有教学班6个，学生共195人，其中女生99人。学校师生一贯继承和发扬闻名全国教育界的会宁“三苦两乐”精神，教育质量逐年稳步提高。广大教师以教书育人为己任，兢兢业业，狠抓实干、潜心钻研教育教学理论和积极参与课堂教学改革，不断推进素质教育、大胆尝试新课改，教学质量稳步上升。

总之，在上级各部门的大力支持下，在社会各界爱心人士关心下，新庄乡中心小学一定会越办越红火，越办越有特色，学校的明天将更加灿烂辉煌。

2016 School Visit Itinerary 吉娃吉娃哪基金會自費愛心訪問團, 二省三个学校, 行程计划

首先拜訪甘肅銀川中心小學 Visiting Central Primary School:

上海-兰州-会宁 2/22上海机场匯合. Meet at Shanghai Airport

会宁—郭城 Hui Ning- Guo city via buses

2/23 出發到达兰州中川机场, 乘坐机场大巴 (30元/人), 租车的费用是150元. 和千里草基金会代表会和.

5-7PM乘坐大巴到会宁县城, 50元/人. 住宿150元/间.

7:30pm晚餐, 20元/人. 9pm漫步会宁县城, 採購甘肅当地其他食品用品和捐贈物品.

郭城-小学-住宿当地农民家里 睡土炕 Guo city-School-Staying at Local village

2/24 8am **breakfast** 早餐, 7元/人. 9-10am **arrival at Central Parimary** 到达中心学校,

10:30am-12 Noon **Meet * Greet & Donate** 开展捐贈仪式. 和校长, 老师及貧窮小學生見面, 參觀, 簡討會

12:00: 左右 **午餐. Lunch**

2:00PM走访贫困学童家庭 **Home visit** 4:00PM 开展座谈 **Meeting & Discussion**

6:00pm住宿是食宿在当地农民家里, 睡土炕, 吃农家餐, 体验当地实际生活情况。

Overnight stay at local home to experience local culture, cusine and meet local farmers

8:00pm漫步郭城乡 **thousand stars under the noon light.....**

郭城—白银-机场-兰州

2/25 8AM **breakfast** 早餐 9-12:00 **Program continues and ends at 12 noon.** 继续走访或者开展项目, 也可以敲定后期合作项目, 达成初步共识, 明确双方权利和责任. 訪問結束!! 12:30- 2:30 **leave Guo City heading to Bai Yin** 到达白银市, 14:

30—16:30午后茶、簡餐. **Afternoon tea, short discussion with local volunteers.**

5:00-6:30pm 周女士抵达机场 (飞机19:55起飞) **Lillian return home**

8:00pm 凯西 入住酒店 兰州这边的快捷酒店 (如家、汉庭等) 差不多是200 元 上下

2/26: 凯西 兰州自由活动, **Free acitivity, Kathy visit Ning Sha via express train**

兰州 -机场

2/27: 5AM 凯西 出發到达兰州中川机场, 到達昆明机场和第二团麦宝宝家长集合. **Kathy Depart to Kuming**

School Visit & Preparation 01/2016

麥寶寶家長探訪學校準備工作

This is Kathy's 2nd trip to visit the school children but first time to Gansu, she has purchased winter coats and gloves and various gifts for the children. Lillian has purchased local goods and donated to the poor families, she has given red envelopes to few need kids.

這是凱西第二次探望小孩子們,第一次去甘肅,即使她不知道會遇見什麼小朋友,她依然準備了冬季的用品帶去。Lillian周游,十分有愛心,她出錢出力在當地購買很多實用品準備帶去給家長們,她也準備好紅包發給特別貧困學生。

School Visit & Preparation 02/23-24/2016

麥寶寶家長探訪學校

Kathy and Lillian met up in Shanghai airport on 2/23 and they made their way from Lanzhou airport to Hue Ling via 2 buses accompanied by volunteers Peter & Steven, with an overnight stay at Guo City.

张瑞宇 Peter 是千里草的一位领导人和柴海华 Steven, 他一路帶領我們從機場坐巴士抵達郭城住一晚, 第二天到達學校。

Meeting Gansu School Principles 访甘肃2学校的校长和小學生們 – 2/24/2016

OAT Donations to 2 Schools- 我們捐贈甘肅2学校的用品- 2/24/2016

睡土炕, 吃农家餐, 体验当地实际生活情
况。 8:00pm漫步郭
城乡.

郭城—白银—机场—兰州

2/25 8AM早餐
9-11:30AM 继续走访或者开展项目
14:30—16:30 午后茶、简餐. 活动結束.
兰州自由活动 .

吉娃吉娃娜会宁走访捐赠圆满成功 2016-05-04 :

助学组 千里草助学计划 2016年2月23日, 吉娃吉娃哪基金会一行到甘肃会宁新庄乡开展了一次捐赠、走访活动。吉娃吉娃哪基金会的曹会长和周理事不远万里, 从大洋彼岸, 漂洋过海, 日夜兼程, 带着满满的爱心从纽约到上海, 从上海到兰州, 在兰州与千里草相约, 从兰州到会宁, 从会宁到新庄乡, 又以新庄乡为中心, 将爱心传递到附近的村庄, 穿过了大气层, 飞过了大西洋, 颠簸在蜿蜒的山路上, 行走于泥泞的乡间小道上, 一路上有汗水, 有艰辛, 更多的是快乐, 是爱的传递, 寂静的乡村, 浓浓的爱意在延伸, 驻扎在每一个人的心间。新庄乡位于会宁西北部, 地势西高东低, 气候干燥, 雨量稀少, 年平均量为240mm, 属典型的干旱区。曹会长和周理事是2016年2月23日到达兰州中川机场, 千里草团队和志愿者也是第一次见他们, 爱总是相通的, 不需要用语言表达, 我们每个人心里都清楚, 我们的力量毕竟有限, 可是只有人人献出一份爱, 去真心去帮助他人, 帮助他人总是快乐的, 彼此之间不再冷漠, 彼此之间不在孤单, 共同的追求, 共同的期待, 这个世界因为有了爱才会更加精彩。走遍千山, 踏遍万水, 万水千山总是情, 大包加小包, 塞得是满满的爱心, 正如吉娃吉娃哪基金会的主旨: 一个个来。正如曹会长所说, 我们的力量不可能改变了这个社会, 但是我们可以一个个来帮助, 或许这个世界会因此而改变。爱无价, 心有情, 爱心在世界的每一个角落, 这个世界需要爱, 人人献出一份爱, 世界才会充满爱。爱心是一种关怀, 它常使我们泪流满面; 爱心是一种力量, 能让我们精神抖擞; 关怀, 在我们的眼神里轻轻释放; 力量, 在我们的指尖悄悄流动。孩子们背上了新的书包, 幸福洋溢在脸上, 拿到了属于自己的文具和一些生活用品, 欢快凝聚在此刻。柴家梁小学迎来了新的一天, 父老乡亲、曹会长和周理事、学校师生、志愿者、乡政府和村委的人欢聚一堂, 共同享受这种来自大洋彼岸的爱, 来自父老乡亲的爱、来自同胞的爱、来自政府的爱。在国家精准扶贫政策施行的同时, 来自社会各界的爱也在茁壮成长, 成为一股爱的强流, 在延续, 在传递。家是温暖的港湾, 是幸福的港湾。家访, 也是这次活动的关键词, 我们一共确定了六家人。在村长的带领下, 翻山越岭, 走乡串户, 一声来自他乡的问候, 一句来自远方的祝福, 总能感动彼此。买给孩子的衣服、还给他们带去了柴米油盐酱醋茶的面粉, 大米, 胡麻油, 一些简单的生活用品。东西是有限的, 爱心总是无价的, 一张张合影, 拉近了彼此的距离, 不再陌生, 不再紧张, 说不出的是爱, 说出来的也是爱。我们的爱心, 让无力者有力, 让悲观者前行, 让往前走的人儿继续走, 让幸福的人儿更幸福; 而我们, 在不停为你--加油! 夕阳西下, 乡村的傍晚如此安静; 繁星点点, 幸福总是如此简单; 爱心滴滴, 有爱有心才会传递。

Yunnan School Visit Itinerary 云南訪問- 02/27/2016

Tour A 行程

1) 2/27 (Sat 六) 到達昆明 Arrival at Kunming Yunnan

机场接机入住酒店、團員將全部到達

6:30pm 晚餐: 將共同討論拜訪阿路底小學事宜, 集中並分配好從美國帶來的禮物。

What we have accomplished in 2015

What we have accomplished in 2015
Give a Gift.

One At A Time

您好!

我们六(2)班已经收到了你们给我们的东西，
感谢你们给我们的这些有用还有学习工具……
我们会用自己的成绩来报答你们，谢谢你们。
从前我们没有很多的意见，只是，我们班十分感
激你们one At A Time。

将来我们要好好的学习，努力的读书，好好地
听老师的话，遵守学校的纪律，帮父母亲干活，用
我们的成绩来报答你们 one At A Time。

我们要做个社会有用的人，为社会作出一个奉献，
真的感谢你们！希望你们能身体健康，万事如
意，福如东海，寿比南山，长清百岁。

我代表我们六(2)班谢谢one At A Time
的人，我们也会像你们一样的做个对社会有用
的人，好好的学习报答父母，报答所有关爱我们
的人，谢谢你们！one At A Time!

阿路底克小

六(2)班

2015年9月19日

感谢杨老师和她的家人和她的班上 43 个学生热心的配合，我们才可以完成这重大的分配工作，五百多的小学生们去年来有个美好的冬天。

We really appreciate teacher Yang's dedication, her family and 43 students helped us distributed goods to over 500 students last year.

Nuijiang Home Visit 云南家訪 - 03/01/2016

Lanny*s Diary

Lanny Wang: 2月29日第三天 Day 3

•

昨晚從昆明一路趕到大理已經10點多了，住祥和酒店，一覺醒來已經7點，下樓吃了一頓豐富早餐，尤其瘦肉粥非常好吃。9點半準時出發，舅舅又出狀況，黃色夾克不見了，原來昨晚留在加油休息站，只好等回程再找了。沿途高山峻嶺，路旁偶有開着粉紅花的桃樹，古色古香的老式房屋在山腰上。因山多所以隧道也特多，史師傅說我們要經過大小不等的隧道二十幾個。

>> 經瀾滄江大橋，稍停車拍照，看見了可愛的羊群。車又行至怒江大橋，橋的兩邊有盛開的木棉花，有桔色，紅色，黃色太美了，當然也照了不少照片。路經六庫吃中飯，飯後延着怒江我們看到對岸山頭的大字“怒江大峽谷”，我們順着怒江峽谷走，經過登埂澡塘，腊瑪登景區，都停下拍照，直到天漸晚。晚上8點多到了福貢的福源酒店，check in 之後在附近飯館飽食一頓現炒的野菜和其它幾種蔬菜美食。今晚將好好的睡個好覺，明天將有重頭戲！

• Lanny Wang- 麥寶寶家長王藍倪- 3月1日第四天

吃過早餐外出再買些給孩子們的文具用品，10點40分出發約40分鐘後到達阿路底小學。

先到楊老師的宿舍，放下Kathy 在紐約買來的禮物，她不辭辛勞萬苦千辛來給孩子們的衣物，文具，各種禮物，其重量已經遠遠超過航空公司的限制，這真是一份超重的愛心！看到楊老師，楊老師的先生，小孩，和她了不起的母親，雖是初次見面，但大家一見如故，他們的親切，使我們很順利的展開今天的活動。讓我最驚喜的是楊老師為我們每人準備了一套華麗的民俗服裝，我們迫不及待的穿上。到了楊老師的教室，孩子們已經引領長望我們的到來。訓練有素的孩子被分成5個小組，我們每人帶著八九個小朋友，和他們互動聊天，他們還主動要表演跳舞讓我欣賞，真是可愛極了。最為欣慰的是小朋友的學習成績在楊老師的指導下已有很大的進步，楊老師真的是勞苦功高！

• 中午在楊老師家吃了一頓可口的午餐，我竟然吃了兩碗米線，兩碗雜糧粥，配上我最愛的鹹魚，以及在美國吃不到的美味炒豬肉片。午餐後，我們去探訪余小英，余小燕，和麗芳，和麗英的父母，（和家爸爸在外工作未遇），兩位媽媽還特別到山下來接我們，山路真的很難爬，不到幾步路，楊燕看我氣喘如牛，立即幫我拿皮包，減輕我的負擔，讓我輕鬆爬上山。好不容易到了在山頂的余小英家，她父親已在門外迎接，進入屋內，我們圍著火爐喝茶談話，他們用花生和熱呼呼的土雞蛋招待我們，非常的熱忱。我們也去了和麗芳家參觀他們養的土雞和鵝群。回程可真體驗到“上山容易下山難”！和媽媽特別做了兩根竹拐杖給我和舅舅，沒有這兩根拐杖，後果不堪設想，我和Kathy 開玩笑說，下次麥寶寶家長來做家訪，要準備完整登山裝備才行。下山時雖然驚險，但是從高處往下看怒江及對岸，風景太美了。下山時余媽媽和和媽媽也頭頂一草藍或手提布袋東西一起下山，她們行動敏捷比我們早到山下其碼半個小時，等我們到了山腳下，她們把帶下山的東西交給我們，你猜是什麼？四隻活土雞，和一大袋子核桃，堅持要送給我們！沒想到他們用這種方式表達謝意，讓我感動萬分！晚餐是楊老師請吃土雞火鍋，味道很鮮美，我可吃的不少。很高興楊老師的母親，楊老師的先生也一起吃晚飯，大家相談甚歡。楊老師的母親真是位偉大的女性，她的言談充滿智慧與不凡的見解，令人敬佩。飯後即是道別時刻，大家依依不捨，期待下次有更多麥寶寶的家長來雲南探訪。

• **Teacher Yang Hai Xia** 楊海霞老師：晚餐是土雞火鍋，用完晚餐，外面已經很黑，我們都依依不捨相互道別，希望時間能停留，但是離別的脚步依然來臨，我們的愛心家長們連夜趕回縣城酒店，非常辛苦的一天啊！我們雖然沒有任何血緣關係，卻勝似親人，我們都為了共同的目标聚在一起，感謝曹姐，舅舅，舅媽，感謝麥寶寶所有家長們對我的信任和支持🙏🙏

這一次，特別讓我感動的還有舅舅和舅媽，去家訪的道路是那麼的難走，我們走着也感覺很吃力，可是杵著拐杖堅持到底，沒有說放棄 我們非常敬佩，祝舅舅，舅媽永遠健康，快樂！好人一生平安

Yang Yen*s Diary

- **February 28, 2016 (Yang Yen)**

- After President Kathy arrival in Kunming from Gansu, we met the whole group in Kunming and moved to Nujiang as the next stop. Finally, around 8.30PM, all of us did the check-in at a local inn in Nujiang.
- February 29, 2016 (By Lanny Wang)
- As we expected, the whole group began today's journey at 9.30 AM. However, Uncle suddenly found his yellow jacket was missing. He recalled that it was lost at the gas station's rest area yesterday's night. To avoid any delay of our plan today, he's decided to look for it on the way when we're back.
- Even almost the whole day we've spent time on the way to the School, the amazing scenery along the road did not make us boring. We've seen peak pink flowers on the roadside, antique houses on the hillside, and went through Cangjiang Grand Bridge as well as over 20 tunnels. We could not stop clicking, so that would not miss any nice views.
- ,
- March 1, 2016
- Even it was still very early in the morning, we were heading to downtown for a variety of stationaries, First Aid boxes and Shakima to be donated to the School, etc. After packing all supplies, the whole group hurried to and arrived at Aludi Primary School at 11.30AM. As how it was planned, the students and our group members were divided into five groups for a 90 minutes' discussion section. And with my group, we've talked a lot about "What I Want to Be When I grow Up?" I was super surprised that some of them said they wanted to find a work out of the town, while some of them had a dream just to sell vegetables in farm market. Myself, respect each person on each occupation as long as he/she works for living by his/her own ability. However, after learning their answers, I think, our mission shall include, to give these kids with a correct value towards study. They shall realize that, no matter what they are going to do in the future, it cannot be without knowledge and studying is the only way to change a person's fate.
- In the afternoon, the group members had another plan to visit some kids' families. It is very grateful that Mr. Wang and Ms. Wang insisted on personally seeing kids at their homes located on the steep mountain, despite they had to climb far away from there. However, we've found that how this visit is meaningful. By the face-to-face communication with their families, the group members truly understand the hardship of them. Although the families here are almost minorities who cannot speak or understand Mandarin, kids and their families still feel the hopes that we are bringing and our big cares and expectations

Yang Yen*s Diary

• March 1, 2016 (Lanny)

- We've been to the dorm of Teacher Yang to drop off Kathy's present from NY. It is very impressive that Kathy didn't quit hardships and carried all kinds of gifts to the students and their families from the USA. Her bag is just like Doraemon's and its weight has already exceeded the airline's limit, which literally represents a BIG and OVERWEIGHTED LOVE.
- When we finally met Teacher Yang, and her families, all of us felt like old friends at this first meeting. Their hospitability and kindness enable today's schedule smoothly. The biggest surprise was that Teacher Yang prepared gorgeous costumes for each of us and of course, we could not wait to try them on.
- When we arrived at the classroom of Teacher Yang, we met those lovely students. Each of us lead one group with about 8 or 9 kids and communicated directly. I have to say they are adorable. Some of them voluntarily gave me a nice dance show. It was also gratified when I know their grades in studying has been greatly improved under Teacher Yang's teaching, encourage and guidance.
- After lunch, we visited the homes of Xiaoying Yu, Xiaoyan Yu and saw the mother of Lifang He and Lying He, while the father of He's is still working out of town. Yu's mother and He's mother particularly came down to meet us first from their homes on the top of mountain. To be honest, the mountain is really difficult to crawl, especially to me. Only after a few steps, I started gasping. Yan Yang immediately offered to take my bag off my shoulder to relieve my burden. When we arrived the home of Xiaoying Yu, we sit around the stove and had a tea talk. They kindly treated us with peanuts and soil eggs. And we also saw the naturally raised chickens and geese in the home of Lifang He. On our way back, it really proved a Chinese saying, "It is easy to climb up the hill, but hard to come down." Luckily, Uncle Wang and I got two bamboo sticks from the He's mother; otherwise, I have to admit, we could not make it to go down to the mountain. At the end, these two mothers brought four live chickens, a big bag of walnuts, which we didn't expect but extremely be touched!
- No matter how great the time we had, yet the parting must come at last. We don't have any blood relationship, but are for the common goal of poly together. I am very appreciated for the support and trust.

Yang Yen*s Diary

- March 2, 2016
-
- During our lunch in Nu River, we occasionally met two new friends who voluntarily join our group. Mr. Zhou, originally from Hu Nan, is a soldier. When he first came to Nu River for Army, Mr. Zhou knew that many local kids did not have clothes to wear. In eight years, he totally donated over a thousand clothes. The person is my younger brother, Little Yang. Due to his nature of work, as a policeman, he usually visits the local villages to see the most poor families and some families with extreme hardship. So Little Yang understands that how important this trip of us is and how much meaning that Kathy's group is bringing this time.
-
- Teacher Yang distributed the Shakima from Kathy to all kids and teachers in the school. Although it is a distant journey with the time constraints and hardships, the love and care from President Cao infected each person. All OAT members' love gives kids in Gansu and Yunnan with hopes. This visit brings us more explicit goal to have a deeper and better communication and have the front-line volunteers to play a better role in the programs. Volunteers shall give kids the care, love and better guidance through closer contacts and follow-ups, which will be the true key for kids to open a new door to their future. We believe, love is not what money can buy or trade for, and material supplies are only a small part of what we can do for them. We are acting like a beacon among those kids. Our principal is to give a support with good quality, not based on volume—One At A Time (OAT).
-
- **As what is stated by Kathy, a qualified volunteer shall meet the following three requirements:**
- Open your heart, be a beacon, lead the way;
- Make yourself an example to others, drive everyone else to follow;
- Act for merit.
-
- Last but not the least is how the OAT Yunnan's branch will start and lead the way:
-
- Love Bag (including pencils, erasers, notepad and first-aid boxes);
- Love Script (including the notes of family visits, cards with messages and daily cleaning);
- Love Character (master kids moral character by telling nice stories in order to inspire and care about them).

Yang Yen*s Diary

- **March 2, 2016 (Yan Yang)**

- First of all, I would like to thank Kathy, Uncle Wang and Auntie Wang for your coming far away from here during your tight schedules and visits of us, and also thank OAT members for your great supports! Everyone involved is infected with your generous love. What I've learned from you is that world is large, BUT love has no distance. Regardless of the nationalities and distance, Uncle Wang and Auntie Wang successfully completed this trip and visit with others even the road is long and steep that they expected. I personally admire them from the deep of my heart. Additionally, I am also appreciated for Mr. Shi's support during our whole trip by acting as a good guide and driver to make our journey smoothly and safely!

- **March 11, 2016 (David Wang)**

- When we landed at Kunming Changshui Airport, it was just 4 AM in the early morning. The airport has been occupied crowdedly. As I can tell, Kathy and Lanny were exhausted after long time bus ride and flight. Until now, I have time to write the farewell words via Wechat which I promised to Yan Yang when we said goodbye. This trip to me is hard but fruitful. Seeing is believing. The most touchable memory is the naïve of human being, innocence of those kids, Yan Yang's enthusiasm and Kathy's love. It was also very nice to have more local volunteers as Qiqi, Mr. Zhou, Hotel Manager Shubing Li, Mr. Shi, Tour Guide Mr. Li. I truly believe we are and will continue doing the good and right things together!

"As we express our sincere gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them." -JFK

Gansu New School Introduction 甘肃甘沟驿镇中心小学简介

甘沟驿镇中心小学始建于1933年,属镇中心小学,位于会宁县中北部、靖天公路旁。学校占地面积10000平方米,建筑面积5542平方米。其中西教学楼1296平方米,砖木结构1115平方米,学生餐厅450平方米,2011年8月,投资192.18万元(其中由省工信委引荐、省慈善总会联系,华电新能源发展有限公司甘肃分公司援助60万元)新建东教学楼一幢,建筑面积1256平方米,生均建筑面积8.01平方米。2013年6月,积极争取校友捐款3万元(田革帅2万元、郭梁1万元),为师生修建车棚13间,彻底解决了车辆乱停和日晒雨淋的问题。2014年9月,由甘肃省慈善总会联系,华电新能源发展有限公司甘肃分公司再次捐款40万元,用于硬化、美化校园、安装太阳能路灯并购置了100套课桌凳和体育器材,使校园环境大为改观、亮化得到加强。2016年8月中央“改薄”专项资金308万元新建学生宿舍楼3层,建筑面积1516平方米。该楼建成后拆除原有四排教师宿舍,2017年政府投资90万元建设操场,彻底解决了学生运动场地严重不足的问题。学校现有图书12000余册,生均32册。仪器配备达国家三类标准。学校现有教职工41人,教师学历合格率达100%,教师平均年龄34.3;有教学班级12个、在校学生364人,其中女175人,适龄儿童入学率达100%。

学校始终坚持“德育为先、能力为重、以人为本、全面发展”的理念。全体教师执着杏坛,无私奉献,教育教学质量逐年稳步上升,正朝着创办区域特色学校迈进!学校管理科学民主,育人氛围浓厚,以“自主、自强、敬业、精业”为校训,以“文明、进取”为校风,以“爱心、耐心、精心、细心”为教风,已形成“勤奋、向上”的学风。通过实行“全员参与,全程监控,全面评价”的管理措施,大力推进“生本教育”、“高效课堂”、“小组合作+导学案”改革,逐步形成了以“面向全体,分层教学,培优补弱,人人成才”为主要特色的教学模式,成效显著。同时,学校以“培养学生良好习惯”为抓手,倡导学生自我管理,为学生健康成长奠定坚实基础。

近年来,在各级政府和社会各界爱心人士的大力支持和热切关心下,学校办学条件大大改善,育人环境极大优化!学校建有综合实验室、多媒体教室、计算机室、美术室、音乐室、图书室、梦想教室等功能室,设施齐备。各教室配备有电子白板、多媒体投影等现代化教学设备;建设有宽带数字化校园网络,教学办公实现了自动化、信息化。

在全体师生的共同努力下,学校的各个方面有了较大的提升:2002年学校少先队大队部被评为“白银市雏鹰大队”,2004年学校喜获“会宁县优秀家长学校”称号,2005年学校获“会宁县课件制作大赛集体优胜奖”称号,同年又喜获美国科技教育协会“第七届《良师兴国》有奖征文积极参与奖”和第十届《读书解惑》有奖征文“积极参与奖”;2009年在全县五年级教学质量检测中我校名列第9名,2010年五年级质检我校又喜获全县第2名的好成绩。2014年3月被县委、县政府评为“平安校园”。2014年12月,我校在会宁县“四位一体”阳光大课间展评活动中荣获小学组二等奖。2015年6月,在会宁县第一届“枝阳俱乐部杯”小学生篮球赛中女子组获得第4名,学校荣获“优秀组织奖”。2016年7月,四年级质检我校荣获全县第9名。2016年12月通过县级评估验收,学校被命名为“会宁县德育及校园文化示范校”。另外近几年学校还涌现出了一批骨干教师和优秀教师,其中有1人获省园丁殊荣,有4人获市园丁殊荣,有8人获县园丁殊荣;有5人次先后在市级优课竞赛中获奖,有30多人先后在校级优课竞赛中获得等次奖,这对其他教师的专业成长起到了很好的引领作用。

目前,学校正沿着规范、科学、有效的轨道健康发展,我们坚信在不久的将来,我们一定会办成让人民满意的教育!

Manhattan & Queens Shipping Company 航运公司

They charge from \$3.75/lb and \$3.50/lb depending on the weight and content. They will provide you with the box and do the packing just bring over your donations.

郵寄公司住址及通訊號碼：貨運公司會給盒子且付責一切打包，他們收費是\$3.75/一磅，但是也有時候有特價\$3.50/一磅，
